Powburn Show 2026 News

It is with great pleasure, on behalf of the Powburn Show Committee, that we present the schedule for this year's event. The Powburn Show has always been the curtain raiser for the annual show season, and this year we are excited and looking forward to welcoming you and your family to a day of competitions, entertainment, displays, and an opportunity to catch up with each other.

The show could not exist without the ongoing generous sponsorship from local businesses and we would encourage everyone to support those advertised in this schedule. They really are the life blood of the community.

Following the success of the 2025 show, the committee agreed to fund further improvements to Powburn play park with the installation of a growing willow tee-pee.

Each year, a huge amount of effort from a very hard-working show committee is needed to make this event successful. As always, we would be most grateful for more volunteers to help out both in the week leading up to the show, and on show day. Please get in touch if you think you could help.

I would like to pass on our thanks to Victoria Bell for her dedicated service to the show during recent years and hope we can continue her good work.

Lastly, with fingers crossed for another dry show day, we hope you all have a safe and enjoyable time.
